

Tactical Tracking for Law Enforcement – Level I (50-hours) P.O.S.T. Certified

Tactical tracking is designed to instruct students on how to conduct operations safely as a tactical tracking team. This course is 100% camouflage at all times and students will learn how to track using visual tracking skills and apply them to many aspects of law enforcement and military tracking operations. Team formation and movement, track sign acquirement and identification, and team security procedures, are just some of the skills taught during this course to law enforcement and military personnel giving them the ability to operate safely while conducting dangerous felon pursuits and combat operations in wilderness environments. Class sizes are limited (10 students per class min.) so early registration is suggested. This training is opened to law enforcement and military personnel only.

Supplies students need to bring:

1. Clothing (camouflage)
2. CamelBak-type water hydration system
3. MRE's or Trail mix food
4. Good pair of hiking boots
5. Rain gear
6. Compass / GPS
7. Tactical weapons and tactical lights
